WHAT SHOULD I DO TO PREPARE FOR RIDE WEEKEND?

- Review the Safety & Training Handbook** – Ride Weekend is a Rules of the Road ride on open roadways, so be sure you're ready to ride safely!
- Train** – Find helpful training resources at pelotonia.org/training.
- Properly hydrate and fuel** – Guidance is available in the Safety & Training Handbook. Start fueling in the days leading up to your Ride.
- Download the Pelotonia Tracker app** – If you plan to use Pelotonia bike transportation, you'll need the app to track your bike. Plus, your friends and family can download the app to track your progress on Ride Weekend!
- Pack your Ride Weekend bag** – You can drop off a bag at the start to be transported to your finish venue. Be sure nothing is hanging off your bag and attach the tag you receive with your credential packet.
- Nursing parent support** – If you are a nursing parent and would like to use the pump transportation service, please fill out the [nursing parent survey](#) so we can plan for your needs.

PARKING FOR OPENING CEREMONY

There are several events happening in the Arena District on Friday night, so please be sure to allow extra time for traffic and parking.

Free parking for all participants will be provided in a variety of Arena District garages. A parking pass with a QR code will be available for download closer to the event by visiting our [Opening Ceremony page](#).

If you choose to park in a different lot or garage, you are responsible for all necessary payment and adhering to all restrictions.

Please note: Most parking garage entrances do not have the vertical clearance to accommodate bicycles mounted on roof racks, so please plan accordingly.

TICKETS FOR OPENING CEREMONY

You may bring one free guest to Pelotonia's Opening Ceremony. The Rider wristband that is included in the credential sheet will serve as admission to Opening Ceremony and a guest wristband will be included as well.

OPENING CEREMONY TO-DO LIST

- Pick up your Rider credential.*** Even if you can't stay for all of Opening Ceremony, swing by and grab this so you're ready for your ride.
- Pick up your Rider gift.** Exchange the tag on your Rider credential sheet for this year's Rider-exclusive gift. (NOTE: size exchanges can't be done on-site to accommodate all Riders, but email pelotonia@pelotonia.org to request a size exchange post-ride.)
- Enjoy amazing food** from AVI!
- Grab a drink.** Be sure to bring your ID if you want to enjoy an adult beverage.
- Get your bike tuned up** by on-site mechanics.
- Add your loved ones to the "I Ride For" wall,** located near the OSUCCC – James tent.
- Take a Peloton photo.** Check with your captains to see when your team is meeting between 4:00-6:00pm. Special group photos are scheduled at:
 - 6:05pm: High Rollers
 - 6:10pm: 10X & 15X Participants
 - 6:15pm: Survivors
- If you're starting at McFerson Commons, drop off your bike in the secure corral** and your bag to be transported to the finish to ease your Saturday morning to-dos. (NOTE: Riders starting at New Albany Schools must bring their bike and bag with them on ride morning).
- Visit the vendor expo** for fun giveaways and activations from our partners.
- Join us for an inspiring stage program** at 6:30pm, and music from Andrew McMahon at 7:00pm!

*Note: If you are unable to attend Opening Ceremony, Rider check-in will be available at all starts. If you must take advantage of late Rider check-in, please arrive at least one hour prior to your scheduled start time and note that your Rider gift will need to be picked up at Pelotonia HQ after Ride Weekend.

A RIDE. A WEEKEND.

TO MAKE A DIFFERENCE. TO MAKE AN IMPACT.

When an organization has a vision to look out for others and make the world a better place, extraordinary things can happen. At Huntington, we are proud to ride alongside Pelotonia in its mission to fund innovative research with the goal of Ending Cancer.

Together, we're not just dreaming of a cancer-free future—we're actively working to make it a reality. We'll see you the first weekend in August.

RIDER CREDENTIALS

RIDER CHECK-IN

On Friday morning, you will receive a text from Pelotonia that can be shared to the Rider Check-In Volunteers along with a driver's license or other photo ID to receive your Rider Credentials, which include:

1 Bike Plate: Securely fasten the bike plate to the front of your handlebars using the provided zip ties before arriving to your start line on Saturday and/or Sunday. This piece must be attached properly to your bike throughout Ride Weekend to allow the RFID tag to be read for your finish line photos and to allow family and friends to track you along your Ride. **Bike plates from previous years MUST be removed to ensure accurate Rider tracking and finish line photos.**

2 Rider ID Wristband: Your Rider ID wristband allows you to enjoy the amenities at Opening Ceremony and throughout the weekend. Please wear your wristband starting on Friday and do not take it off until you leave Pelotonia weekend for the last time. No one will be permitted to ride on Saturday or Sunday without a Rider ID wristband.

3 Opening Ceremony Guest Wristband: This piece will serve as your guest ticket for Opening Ceremony, and can be provided to your guest for complimentary admission.

4 Luggage Tag: Fasten your luggage tag securely to your bag before handing off to Pelotonia Volunteers. Please note that it will not be possible for Pelotonia to deliver any bags that are not properly tagged to the appropriate finish line areas. Any unidentified or unclaimed bags will be taken to Pelotonia HQ to be claimed after the event.

5 Seat Post Tag: Wrap your tag around your seat post using the adhesive strip. This helps you and your fellow participants identify each other along the route.

Victoria's Secret & Co. is proud to support Pelotonia in the commitment to advancing innovative cancer research. DURING THE RIDE

RIDER PARKING ON RIDE DAYS

You're welcome to park at start locations for the duration of your participation in Pelotonia Ride Weekend, including overnight if you're a two-day Rider. Free surface lot parking will be available at New Albany Schools.

For Riders starting and/or finishing at McFerson Commons, a parking pass with a QR code for free parking will be available for download closer to the event. If you choose to park in a different lot or garage, you are responsible for all necessary payment and adhering to all restrictions.

OVERNIGHT PARKING

You are welcome to park a car overnight at any finish location so it is staged for you post-Ride on Saturday or Sunday. Refer to the overnight parking maps, noting restrictions on timing and parking areas to avoid that will be used for Ride infrastructure.

Abercrombie & Fitch Overnight Parking

7907 Central College Rd., New Albany, OH 43054

You must enter the property from Central College Rd., use the call box to contact security, and vehicles can only be dropped off between 9:30am – 8:00pm on Friday, July 31.

Kenyon College Overnight Parking

In lots east of Duff St., south of Kokosing Gap Trail

New Albany Schools Overnight Parking

6600 E Dublin Granville Rd, New Albany, OH 43054

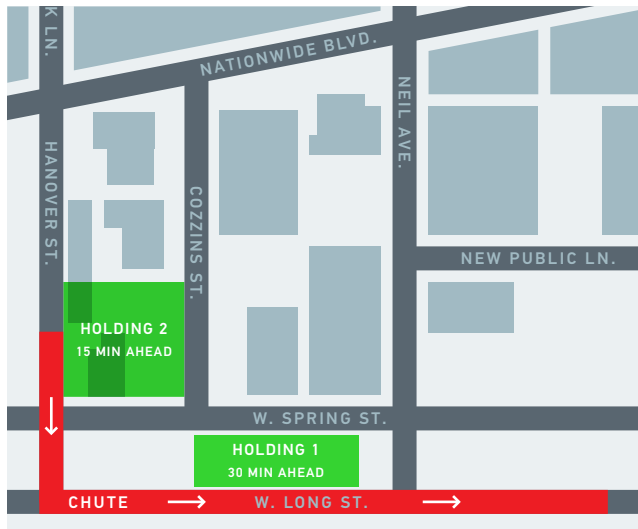

DURING THE RIDE

START TIMES & STAGING

At McFerson Commons, you'll be staged in designated starting groups with bike tags showing a distinct color that corresponds to your pre-assigned start time. Staging groups are determined by ride distance and Peloton affiliation with the Riders going the furthest being the first released. All High Rollers and 15x Riders will be assigned to the first wave of your distance to show our appreciation! If your Peloton is assigned a later start time, you may move back to start with them if you wish, but please note that we are unable to accommodate the movement of Riders to earlier start times and you must start within a group that is assigned to your route distance to ensure you are within the time frame of planned route support.

At McFerson Commons, you're welcome to enter Holding Area 1 30 minutes prior to your start time, and Holding Area 2 15 minutes prior to your start time. Please be patient while you wait for your time to load into the chute! At New Albany Schools and Kenyon College, smaller numbers allow all Riders to start together in a single staging group. Routes can be crowded due to the large number of participants. Please be sure to adhere to all Rules of the Road, and ride

McFerson Commons in the Arena District Staging

no more than two across once you have exited the chute and are riding on public roadways, which is Ohio law. Remember that Pelotonia is a ride, not a race, so remain patient as the initial group gets started and spreads out!

DURING THE RIDE

New Albany Schools Staging

Arrows in the maps indicate chute direction. No Riders are allowed to stage, congregate or start the ride in areas not designated by Pelotonia. If you stage, congregate or start the ride in areas not designated by Pelotonia, you do so at your own risk.

FIRST AID ASSISTANCE

First aid Volunteers will be at each Pelotonia venue and support vehicles will patrol the route to provide basic first aid only. Any situation requiring greater attention will be treated at the nearest medical facility via ambulance. While riding, please carry all of your prescription medications and your health insurance card in your jersey or bike bag. The first aid staff will not have I.V. solutions or prescription medications. If you are in need of medical assistance while on the route, please call the Pelotonia Command Center at 1-855-889-RIDE (7433). In the case of an emergency, please call 911 first then the Pelotonia Command Center so Pelotonia officials can track the incident and assist as necessary.

SIGNAGE

Pelotonia is a Rules of the Road ride. Please pay careful attention to Pelotonia signage along the route for directions and warnings of any specific areas where you should remain particularly cautious of oncoming traffic and road conditions and to any signage at the rest stops, which will warn of dangerous heat indexes or other weather conditions.

SUPPORT VEHICLES/VOLUNTEERS

There will be support vehicles patrolling the route with First Aid and mechanical Volunteers. Motorcycle support will also be stationed along the route to assist Riders as needed. Pelotonia arranges for a significant amount of on-route support, so we ask that you refrain from personal support vehicles following you on the ride, as this can create safety concerns with added vehicular traffic on the route.

REST STOPS

There will be rest stops along the route approximately every 10-24 miles. Food and drinks, mechanical support, and first aid assistance will be available at every rest stop. A lunch stop with heavier food options will be available for 66-mile and 100-mile Riders on Saturday.

Please note that rest stops, including the lunch stop, do not have the ability to accommodate guests, so friends and family should not try to access any of these locations.

PACE REQUIREMENT & ROUTE CLOSURE

To ensure all participants finish within the time during which route support will be available, the 17-mile loop route will require all Riders to maintain a 5mph pace (inclusive of any stoppage time at the rest stop). All other Pelotonia routes will close at 6:00pm on Saturday and at 2:00pm on Sunday to ensure the safety of all participants. Pelotonia may choose to advance Riders via shuttles and/or SAG vehicles if they are not on pace to reach their designated finish by the route closure time, if they are falling behind required pace, or in the event of inclement weather.

E-BIKES

The use of e-bikes is permitted in Ride Weekend, but please note that no fully motorized bikes that use a throttle are allowed on Pelotonia routes, and all electric bikes must have a freely operable pedaling system (rear wheel drive train of pedals, crank, chain, and gear system). E-bike charging stations will be available at the Granville Middle School & Homer Library rest stops on Saturday, and at Highland High School on Sunday, but all Riders must bring their own chargers! A power source will be provided, but no charging cables will be available on site.

DURING THE RIDE

PELTONIA SUPPORT LINE

If you need assistance for any reason during the ride and you cannot locate a Pelotonia Volunteer, please call or text **1-855-889-RIDE (7433)**.

STOPPING BEFORE YOUR CHOSEN FINISH

If you need to stop before reaching your finish, contact the nearest Pelotonia Volunteer, support vehicle, or call 1-855-889-RIDE (7433). In this situation, please be patient as we make arrangements to transport you, your bike, and any other belongings to the appropriate location.

WEATHER CONDITIONS

Weather is unpredictable and rain is a very real possibility. Barring severe weather emergencies, Pelotonia continues rain or shine, so come prepared for forecasted temperatures, wind, and precipitation conditions.

Weather related announcements may need to be issued after the start of the Ride. Color-coded flags will be used to communicate the status of weather conditions. These flags will be displayed on SAG (Support and Gear) vehicles and at rest stop/finish areas as follows:

GREEN FLAG—SAFE TO PROCEED

Fair weather through light/moderate rain.

YELLOW FLAG—PROCEED WITH CAUTION

Excessive heat, moderate to strong winds, heavy rain or other precipitation is creating potentially hazardous situations on the route.

RED FLAG—DO NOT PROCEED

Severe weather warnings have been issued by the National Weather Service or severe precipitation is creating hazardous conditions or flooding on the route. Proceeding along the route is considered unsafe at this time. Riders who proceed do so at their own risk.

Pelotonia reserves the right to postpone the ride start, reduce the ride length, restrict ride options, or cancel the ride to ensure the safety of its participants. We will do everything within our capabilities to communicate cancellation, postponement, or alteration of the event to Riders as quickly as possible. In all cases, you are responsible for your own safety and should use your best judgment in deciding whether or not to continue if severe weather conditions exist.

FINISH LINE CELEBRATIONS

GUESTS AT FINISH LINE CELEBRATIONS

Friends and family are invited to join the celebration and cheer you across the finish line! Follow signage and parking attendant direction to access guest parking and enjoy food, drinks, and a dedicated Spectator Experience area. Check out our Spectator Handbook for everything your guests need to know about supporting you throughout Ride Weekend!

BIKE TRUCKS AND RIDER SHUTTLES

If you are taking a shuttle back to McFerson Commons or New Albany Schools, you should immediately take your bike to the designated bike trucks upon arrival at your finish area. Volunteers will help load the bikes onto the trucks safely and securely. If you are concerned about transporting your bike, you may want to apply bubble wrap to your bike before it is loaded. Please note that all bike trucks and Rider shuttles must be filled completely before departing, so some delays may occur.

To track your bike during transport, download the Pelotonia Tracker app using the QR codes below, select “Bike Transportation”, search for your name, then click on your name in the search results. This adds your bike tracking to the main screen of the app to view transport progress and gives the option to subscribe to push notifications. You’ll be notified when your bike is loaded for transport and when it arrives at its destination.

If you have questions about bike transportation during Ride Weekend, please view the “Info” tab within the “Bike Transportation” event of the app for contact information and assistance.

Buses will be available to take you from your finish venue to your car at the start venue. If you must leave your finish by a specific time, arrange to have someone meet you. Please note that bikes will not be permitted onto Rider shuttles due to space constraints.

“Pelotonia Tracker” app download

SHOWERS

Shower trailers will be available at New Albany Schools & Abercrombie & Fitch Co., and locker rooms will be available at Kenyon College. If you’re a two-day Rider staying at Kenyon, please use the showers in your dorm rooms to help alleviate high traffic in the Lowry Center locker rooms. Please note that showers will not be available at the North Bank Park finish.

NURSING PARENTS

Private areas with power, fans, snacks and drinks will be available for nursing parents at Opening Ceremony, the start lines, and all finish venues. These spaces are available for all Riders, Volunteers, and guests, and no pre-registration is needed for access. Please see on-site site maps or Volunteers for exact location of these areas at each venue.

Additionally, Pelotonia offers transportation of pumps from start to finish locations for any Rider who may need this assistance. Please fill out the [nursing parent survey](#) so we can plan for your needs.

- ➔ Pumps will be transported from the First Aid station at the start line to the First Aid station at the finish line.
- ➔ Pumps will be tagged with name, cell #, and route. They will also be tagged with an Apple AirTag and monitored by Pelotonia staff to ensure accurate delivery.
- ➔ If you would like to use the equipment transportation service, advance registration is required. Please fill out the nursing parent survey in advance of Ride Weekend.
