WELCOME

Thank you for generously donating your time, talents, and energy to make Ride Weekend an amazing experience. We could not host this event without our incredible Volunteers, and we are so grateful for your support. Ending Cancer starts with you!

THE PELTONIA VOLUNTEER PROMISE

As a Pelotonia Volunteer, you are an essential part of a powerful movement fueled by purpose, passion, and people. Our commitment to excellence is at the heart of everything we do, from the smallest details to the unforgettable moments we create together. By volunteering your time, you are helping us deliver meaningful, seamless, and inspiring experiences to every Rider, supporter, and fellow Volunteer.

This commitment comes with a shared responsibility: to show up with intention, uphold the highest standards of integrity and care, and take ownership of every task, interaction, and challenge during your Volunteer shifts. Whether you're serving food or beverages, setting up an event space, or providing first aid assistance, your

dedication shapes the Pelotonia experience and helps move us all closer to our One Goal and a world without cancer.

You are also an ambassador of the Pelotonia mission. In every interaction, you represent the values and spirit of this movement. Treating all Riders, fellow Volunteers, and Spectators with respect and dignity is essential to building a welcoming and inclusive environment for all. Your energy, compassion, and commitment help define what Pelotonia feels like — for everyone who experiences it.

Pelotonia holds all Volunteers to these shared standards. A consistent commitment to the Pelotonia Volunteer Promise is essential, and while we hope it never comes to be the case, negligence in meeting these expectations may lead to a reevaluation of your future involvement in the organization.

IMPORTANT INFORMATION

EMERGENCIES

If you encounter a serious medical emergency, **please call 911 immediately**. In emergency situations that do not involve grave danger to someone's health, please advise your Lead Volunteer and/or the Lead First Aid Volunteer at your location immediately. If you cannot locate a Lead Volunteer quickly, **please call 1-855-889-7433 to contact the Pelotonia Command Center**.

FIRST AID

First Aid Volunteers will be at every Pelotonia location. Please contact the First Aid Volunteers immediately if any medical issues arise, no matter how minor.

RIDE WEEKEND: WHAT TO EXPECT

LEAD VOLUNTEERS

Your Lead Volunteer will be your main contact leading up to and throughout Ride Weekend. Each Lead will be wearing a blue T-shirt on-site during Ride Weekend. Please look for your Lead Volunteer at your designated location upon arrival.

Many Lead Volunteers will start their shifts by providing a short orientation for their Volunteer teams. Please be sure to alert your Lead Volunteer if you have any physical limitations so they can find an appropriate position for you.

Please recognize that if you arrive late for your shift, your Lead Volunteer may not have time to provide you with a proper orientation. If this is the case, please do your best to pitch in and ask questions of fellow Volunteers. If you are unsure of what you should be doing and cannot locate your Lead Volunteer, please return to the Volunteer Check-In area for assistance.

PARKING

Parking is available for Volunteers at each Pelotonia location. Your Lead Volunteer and Pelotonia staff will share specific details about parking in the week leading up to Ride Weekend.

If you're volunteering at McFerson Commons, you'll need to scan a pass for access to Arena District garages. This pass will be emailed to you before the event and will also be available to download from our website. Please be sure to bring this pass with you to your shift, either printed or on your cell phone, to prevent entry delays and parking charges.

CHECK-IN

Please check in at your assigned location at least 15 minutes before your shift starts. At each location, please look for the Volunteer Check-In area where you will be able to pick up your T-shirt and receive further directions.

- Opening Ceremony/Start & Finish Venues: there will be a dedicated Volunteer Check-In tent.
- Rest Stops: find your Lead Volunteer (wearing a blue Pelotonia shirt) to check in.

T-SHIRTS

You will receive **one** green T-shirt to wear throughout Ride Weekend. Keep in mind that changing space is limited at each location, so considering wearing a T-shirt or tank top that your Volunteer shirt can easily fit over or use the portable toilets available on-site if you'd like to change before starting your day. **Only registered Volunteers will receive a T-shirt.**

FREE TIME

Please be flexible if you experience downtime during your shift. Even if your position is not labor-intensive or experiencing a heavy flow of traffic, please do not leave your post without communicating with your Lead Volunteer.

We encourage you to take initiative — if your current task is complete, your Lead Volunteer may find something else for you to do or reassign you to an area that needs more assistance. Don't be afraid to seize an opportunity! Clean-up is often one of the biggest jobs at any site, and getting a head start is always appreciated.

RIDE WEEKEND: WHAT TO EXPECT

MEALS

We strongly recommend eating before you arrive for your shift. While some food will be provided at each site, you're welcome to bring snacks or a small cooler if you would like.

If you are Volunteering at a rest stop, snacks (not a full meal) will be provided. If you are working during a time catered food is provided to Riders at a lunch stop or a start/finish venue, you'll be welcome to go through these food and beverage tents. Keep in mind that stepping away may be difficult depending on your responsibilities and Rider needs at that time. Always check with your Lead Volunteer before leaving your post.

LOST AND FOUND

Please deliver any lost and found items to the First Aid tent at your site. After Ride Weekend, any unclaimed items will be returned to the Pelotonia office located at 2281 Kenny Road, Suite 450, Columbus, OH 43210.

CLEAN-UP

Pelotonia is fortunate to have generous partners who allow us to use of their properties throughout Ride Weekend. At the end of your shift, please leave the property in as good of condition, if not better, than when we arrived. If you are working the last or only shift at a location, please make sure the venue is cleaned up and left in proper order before leaving.

FUNDRAISING

While fundraising is not required for Pelotonia Volunteers, it's always welcome! Volunteers have profiles capable of fundraising similar to Riders and Challengers that are created when you register to volunteer. 100% of the money you raise will go directly to funding cancer research!

VOLUNTEER THRIVE GUIDE

TIPS AND TRICKS TO ENSURE THE BEST VOLUNTEER EXPERIENCE

BREAK IN YOUR COMFORTABLE SHOES AS SOON AS POSSIBLE

Close-toed shoes are preferable, especially if you will be on your feet for long periods of time. If you're planning to wear newer shoes, don't wait until Ride Weekend to break them in. Start now for the best comfort on event day.

YOU WILL RECEIVE A VOLUNTEER T-SHIRT WHEN YOU CHECK IN

We suggest wearing something that's easy to layer if you'd rather not change. Portable toilets will be available on-site if you wish to fully change into your shirt before starting for the day.

BRING A REFILLABLE WATER BOTTLE AND WEAR SUNSCREEN AND/OR A HAT

Staying hydrated and protected from the sun is a must — it can get hot during Ride Weekend! We also recommend bringing a small bag to keep your personal items in. An optional refillable water bottle will be available for you as well.

STAY FLEXIBLE AND KEEP GOING THROUGHOUT THE DAY

Be ready for both the expected and the unexpected. There may be downtime throughout your shift, but use this time to get ahead on clean-up, stay hydrated, and ask your Lead Volunteer how else you can help.

FREQUENTLY ASKED QUESTIONS

Do Volunteers have a minimum fundraising commitment?

There is no fundraising requirement – your time is enough! Fundraising is always encouraged if you feel so inclined, but it is not an expectation for Volunteers.

Can I register as a Volunteer if I am already registered as a Rider or Challenger?

Yes! You can register as both a Rider or Challenger and Volunteer using the same account. To add a Volunteer registration to your existing Rider or Challenger registration, log into your Pelotonia account and click on “Register.” This will give you the option to add additional registrations to your existing account, including the option to Volunteer at Pelotonia events.

What is the minimum age to volunteer?

You must be at least 14 years old to be a volunteer. To register as a minor Volunteer (ages 14-17), please visit pelotonia.org and start a Volunteer registration. Once the birth date is entered, this will trigger a minor Volunteer registration if needed. Please note that minor Volunteers must select an activity for which they are able to provide the Public ID of an accompanying adult registered for the same activity.

Can my children accompany me while I volunteer?

All Volunteers must be registered and the minimum age is 14 years old. Due to liability reasons, please refrain from bringing children younger than this age requirement. If you'd like your family to be part of the day, encourage them to come cheer on Riders at a start, along a route, or finish line! Please arrange for another adult to monitor your children during your shift so that you are able to focus on your role responsibilities.

Where and when can I volunteer?

Pelotonia needs Volunteers throughout Ride Weekend as well as before and after our events to make everything happen! For more detailed locations, activities, and shifts, check out the [Volunteer page on the Pelotonia website](#) or the Volunteer Job Descriptions section of this handbook.

Can I volunteer for both Ride Weekend and Gravel Day?

Yes! We would love to have your support across both events. When first registering, select any shifts you are willing to help with for either event. If you are already registered as a Volunteer for Ride Weekend 2026, and want to add a Gravel Day shift, here's how:

1. Log into your Pelotonia account at pelotonia.org
2. On your profile page, scroll down to the “My Volunteering” section found on the right-hand side.
3. Click the “Edit” button in the upper right-hand corner of the section.
4. On the “Edit Volunteer Opportunities” page, use the “Ride” filter to select Gravel Day. This will populate only Gravel Day Volunteer opportunities!
5. Select whichever shift you would like and click the “Save” button in the bottom right corner.
6. You are now registered to Volunteer for Gravel Day!

FREQUENTLY ASKED QUESTIONS

How do I confirm what volunteer activity I signed up for?

To review volunteer activities for which you are registered, select “Login” from the upper right-hand corner of pelotonia.org. Once logged in, scroll down on your profile to the “My Volunteering” box which is located on the right-hand side of the screen.

How do I switch or delete my volunteer activity?

Visit pelotonia.org and click the “Login” button in the top right-hand corner. Once logged in, scroll down on your profile to the “My Volunteering” box which is located on the right-hand side of the screen. In this box, you should see an “Edit” option in the upper right-hand corner of the “My Volunteering” box and can click there to view additional or alternative Volunteer activities and shifts still available.

What should I wear when volunteering?

All Pelotonia Volunteers will receive a T-shirt upon arrival at their first shift. Please note that if you plan to volunteer for more than one activity or shift you will receive only one T-shirt. In addition to the supplied T-shirt, we suggest wearing lightweight fabrics, comfortable shoes, and sunscreen. Please keep in mind that all activities are outdoors, and you’ll likely be on your feet for a majority of your shift(s).

What should I bring when volunteering?

Feel free to bring sunscreen, water bottles, and/or a small cooler or snacks, especially if you have any special dietary requirements.

How will I receive further details regarding my volunteer shift(s)?

Your Lead Volunteer for the volunteer activity you selected will contact you with information prior to Ride Weekend. The earlier you register, the more often you are likely to hear from your Lead Volunteer. If you haven’t heard from them by late July or if you have a specific question, please feel free to contact them directly. You will be able to find your Lead Volunteer’s contact information on the [site guidelines](#).
